## ● ● Training the Carer

Training the Carer aim to provide a high quality service in training, assessment and verification, taking into account the pressures care staff are faced with and the individual needs of the candidate. We pride ourselves on a flexible approach, high standards and building good relationships, enabling the candidate to complete their award.

## ● ● Aims

Our aims is to assist the Care sector with meeting its mandatory obligations as well as providing optional training packages to improve the level of care provided to clients and an opportunity for an individual to fulfil their personal development needs.

Within the Care sector, it is a requirement that staff are NVQ qualified to specific levels. Depending on their role this can range from Level 2 to Level 4 in Health & Social Care. Training the Carer offer the full range of awards to enable compliance with Health & Social Care requirements.

## ● ● NVQ's

NVQ's in Health & Social Care are for those already working in the Care environment who want to gain a qualification to improve their standards or for the employer who needs to ensure standards are maintained.

The NVQ programme is based upon face to face interaction with an assessor to guide and support the student throughout.

### The programme includes:

- Induction
- Registration and certification with award winning body
- Preparation of individual learning plan
- Direct access to an assessor
- Assessor visits to your workplace
- Internal Verifier support
- Review with the candidate's manager
