Train to Gain

As I am sure many of you are aware Train to Gain has been cut for this academic year. However, due to our past success, we have been allocated a reasonable number of candidate places for this academic year.

The LSC are looking at achievement rates and those candidates that do not complete within a timely manner will have their funding withdrawn which will lead to the candidate being removed from the programme.

Surrey Care Association Awards Dinner

TtC have booked a table at the awards dinner on the evening of 9th October 2009, to be held at Denbies Vineyard near Dorking. We have 6 places and would like to invite you to attend. If you are interested in attending, please let us know and the places will be allocated on a first come first served basis.

Website

Everyone now should have your login name and password for the intranet. Please let us know if you are experiencing any problems accessing any of the documents.

We would still like to have a short summary on all staff on the website. If you are currently not on there, could you please send this on to us – see website for ideas
